

## Vietnam Veteran Air Assault Commemorative Coin

The 506<sup>th</sup> Airborne Infantry Regiment Association has created a special commemorative coin for the 101<sup>st</sup> and 1st Air Cav honoring our veterans and reflecting the Air Assault badge award. The two-inch coin was designed by Vietnam Currahee veterans. The front features the two division crests and the faithful UH1 "Slick" helicopter while the back has the original Airmobile Badge and the current Air Assault badge with a "Strike from the Sky" lightning bolt. This will be a limited distribution item available for order beginning in mid-February. It is intended to be for purchase by Badge recipients and their families. A limited number will also be available at the Week of the Eagle this coming June.

The price of the coin is **\$20**, which covers manufacturing, postage, packaging and handling for direct mailing. Proceeds from the sale of the coins will support veterans' programs. To order your coin, use the form below. Allow 5-7 weeks for delivery, depending on coin production schedules.

Please Note: This coin is intended for Vietnam Air Assault Veterans and family members. **There is a limit of two coins per veteran per order.**
